Announcement of "Cool-Biz" dress code implementation

In our continuing efforts to address global warming and decrease electricity consumption, the club is implementing eco-friendly measures throughout the year which are contributing to lowering electricity consumption through reducing the number of lights and air conditioner settings.

As a part of these actions, we have decided to implement the government's "Cool-Biz" clothing policy. Our staff are encouraged to wear light, comfortable attire from May 31st to October 1st, 2021. The in-house cool-biz policy may be adjusted in accordance with changing weather and temperatures.

We appreciate your kind understanding.
