

## IT Comm BoD Report Feb. 2025

Reported by the IT Committee Chair: Yuusuke Wada

No MOTION, No RESOLUTION, No ACTION

- 1) Submitted an idea to SE Yoshida-san to reset the Yamaha WiFi router from remote area without going into maintenance room using a hardware signal watching device from company called KK HOW.  
<https://how.jp/products/landereboot-lr01a#seihin>
- 2) Submitted a request for PAC conference of AI/Machine learning expert in Japan who received 4 consecutive years of award of top 2% of most influential scientists in the world, Professor Yoshihiro Taguchi of Chuoh University.  
Waiting reply from PAC and Ms. Saikawa.
- 3) No progress has been made regarding the FCCJ IT Committee Podcast.
- 4) The IT Committee needs more volunteers to help us out in various IT issues, including covering IT journalism topics for FCCJ.
