 Subject: Membership Barter for Website Upgrade

<b>Motion</b>				
Approve to grant a three-year honorary membership to Paul Braganza in exchange for upgrading the club website operating system from Drupal 8 to Drupal 10 as presented.				
<b>Objective</b>				
To mitigate the financial cost of upgrading the website operating system.				
<b>Background</b>				
<p>The website has bug issues and is presumed to be a result of the website management software, Drupal 8, being out of date and no longer supported as of November 2021. The website is hosted by Raine Interactive and they quoted 500,000 yen for the upgrade, or 600,000 yen if in installments over a year.</p> <p>There is no financial downside to the club by granting a limited term honorary membership in exchange for services as the club outlays nothing financially and could also make revenue from use of the honorary membership.</p>				
<b>Pros &amp; Cons</b>				
<p>PROS:</p> <ul style="list-style-type: none"><li>➤ Improves website reliability.</li><li>➤ Saves cash expenditure.</li><li>➤ Potentially increases club revenue.</li></ul> <p>CONS:</p> <ul style="list-style-type: none"><li>➤ None.</li></ul>				
<b>Financial impact</b>				
Direct saving of 500,000 yen cash expenditure.
