1. The AMLC Osaka Expo visit was attended by four FCCJ members; two Regular Members cancelled the day before. All agreed it was a very successful event, which took six months to arrange. Thanks to Yoshiko and Tai for doing this.
2. Our survey and cover letter for members is approved, with Wayne and ready to go.
3. Simon will represent AMLC at the Long-term Strategy Task Force meeting on April 22.
4. The candidate criteria for AMLC members to be nominated for the Board is ready to be sent out later.
5. Discussed why AMLC members can't vote for Board directors. Is it time to change the rule, to attract more votes and further engage AMLC members?
6. Next meeting: 3pm, May 8
