

#### FORD FOUNDATION

Ford tends to focus on projects that work toward the promotion of social justice and the exploration of social justice issues. Media-related programs within Ford's Freedom of Expression Initiative include Justice and Media, Advancing Public Service Media and Advancing Media Rights and Access.

#### GANNETT FOUNDATION / TEGNA FOUNDATION

This corporate funder supports journalism education and training programs, as well as programs to advance technology in the journalism industry. It prioritizes programs that include women, minorities, and college students in the field.

#### MACARTHUR FOUNDATION

Awarding national and international grants, the MacArthur Foundation Media Program supports the production of news, documentaries (for television), radio and Internet journalism.

#### PULITZER CENTER ON CRISIS REPORTING

Pulitzer supports journalists working on important but underreported stories around the world.
